Dear Sir/Madam

**Application for: Assistant Administrator: Agronomy Permits**

This letter is to express my interest in the Mobile Telecommunication Limited Bursary for 2021. I have a Bachelor's degree in Computer Science Software Development, and hands-on I was registered for forth year study in Bachelor Honors degree in Software Development Honours at Namibia University of Science and Technology (NUST) in 2018. Due financial challenges I could not complete it.

I am currently a Software Developer Intern at Mobile Telecommunication Limited (MTC). I am disciplined and exhibit high levels of commitment. I am a very hard-working woman and tolerant in planning and organizing skills. I am an excellent team member who can work under any condition. I am an ambitious person who is eager to learn and adapt to new things. I am detail oriented and have abstract problem-solving skills with the ability to work independently or in a team. I have strong interpersonal skills and I am also flexible with time. It is for these reasons that I consider myself to be an excellent and relevant asset to your organization as a Bursary holder. Being accepted to the bursary program will greatly assist me in my educational pursuit and career goals. With the help of this bursary, I will highly desirous of this opportunity because it will allow me to finish my study, I could afford to finance my studies and living expenses. I will also contribute to the company MTC Namibia as a Software Developer.

Please find attached copy of my Curriculum Vitae and supporting documents for your perusal. I trust that my application earns your consideration and I patiently look forward to your favourable response.

Yours faithfully

---

SHIVUTE E.N (Ms)
